

【International Student Insurance】

Only those who hold a student visa can avail of the National Health Insurance. Please see the information below as to what is covered and not.

1.Requirement : Upon arrival to Japan, everyone is required to enter the National Health Insurance) (The month premiums are around 1,500yen a month. Members of the National Health Insurance pay only 30% of the total cost, the same as Japanese citizens.)

2 . Compensation Amount :

Death or Physical Impediment from Injury	2,000,000JPY
Personal Liability	30,000,000JPY
Rescuer's Expenses	1,000,000JPY
Medical Expenses for Sickness/Injury	100,000JPY
Death from Sickness	100,000JPY

*The International Student Insurance, when combined with the National Health Insurance, can enable a full coverage of medical expenses. (However, there are cases when this is not applied).

3. Cases not covered by the International Student Insurance

- In case there is the intent of the person such as suicide, crime, and fighting
- In case of war and terrorism
- In cases where the diagnosis cannot be determined by symptoms such as cervical strain, myelopathy, lower back pain, disc hernia, etc.
- In case of illnesses caused by pregnancy, childbirth, miscarriage, and premature birth
- In case of dental illnesses (excluding dental treatment due to injury)
